SAILOR'S HOME

IRISH WHISKEY

THE JOURNEY 43% ABV

No other Irish whiskey is made like this. Triple distilled. Aging Irish whiskey first in Virgin American oak, then recasking into American Bourbon barrels. Bringing this together with malt Irish whiskey matured in American Bourbon and finished in Jamaican Rum casks, adding tropical fruits and rum notes.

THE HAVEN 43% ABV

Single Pot Still is a globally celebrated style of whiskey unique to Ireland – triple pot distilled, a mash bill of malted and unmalted Irish barley, and ours includes oats for creamy mouthfeel. Spanish Oloroso Sherry and American Bourbon casks were selected to mature this special spirit to perfection – reflecting centuries of trade East and West through Limerick.

THE HORIZON 43% ABV

The exceptional first of the Islands Series. Remarkable Irish malt and grain whiskeys, matured for at least 10 years in American Bourbon casks. Expert finishing in selected Barbados rum casks introduces lush, refined flavour twists – typical of the birthplace of Caribbean rum.

CARAVELLE 46% ABV

Caravelle is named for the sailing ship used for long voyages of exploration in the 15th to 17th centuries, and for Presqu'île de Caravelle, the wild and lush natural reserve in Martinique. Outstanding Irish malt and grain whiskeys, matured for at least 10 years in American Bourbon and finished in selected Martinique Rhum Agricole casks.

STORMCHASER 46% ABV

The hand of the master brings powerful and intense elements together in perfect balance. Triple-distilled Single Malt Irish Whiskey aged in Virgin oak and ex-Bourbon casks with two intensely different but complementary cask finishes – craft Irish stout barrels and Madeira casks.

THE REAL STUFF

POITIN

MAD MARCH HARE POITIN

THE WORLD'S #1 POITIN

Mad March Hare is crafted in small batches using just three ingredients. Only the finest, locally sourced malted barley married with a proprietary yeast, distilled three times in small copper pot stills the traditional way. We then cut the spirit with the purest Irish spring water to 40% ABV resulting in a spirit that is full of character and exceptionally smooth.

WHAT IS POITIN?

Poitin is the original Irish Spirit. Arguably the oldest spirit category in the world, poitin was first distilled by Irish Monks in the 6th Century & made illegal by the English in 1661 as part of their attempt to break the Irish spirit & culture.

It didn't work. The art of poitin making was kept alive in valleys & dells across the country until it was finally legalised again in 1997!

HOW IS IT MADE?

At Mad March Hare, our poitin is made with locally sourced malted barley, triple distilled in traditional copper pot stills. We then cut it with fresh Irish spring water to 40% Alc. Vol., resulting in a drink that is both full of character yet exceptionally smooth.

COGNAC BRANDY

TESSERON

COGNAC

XO & BEYOND

Tesseron Cognacs are made from the two most prestigious appellations in the Cognac region: Grande Champagne and Petite Champagne. Grande Champagne is renowned for making the best cognacs of the region, due to its Limestone terroir. The Grande Champagne eaux-de-vie need many years to achieve their legendary smooth finish. The more they age, the more the aromatics come forward and the smoother they become. Petite Champagne is composed mainly of Clay and Limestone. Eaux-de-vie made from this terroir need less ageing to achieve the smooth finish.

VECCHIO DI ROMAGNA

BRANDY

ETICHETTA NERA

The undisputed icon of the Vecchia Romagna range, the result of a double distillation and a double aging, with an elegant and decisive taste. Black Label comes from the skilful combination of continuous and discontinuous distillates and from a double aging, first in barriques and then in oak barrels.

Its color is bright antique gold-coppery. The nose offers hints of tropical fruit mixed with vanilla, cinnamon and cloves, in a mix of elegant aromas. On the palate it is round, complex and enveloping with hints of sweet spices, such as vanilla and cinnamon. Persistent finish.

Serve smooth or with ice.

RISERVA 18

An extraordinarily sophisticated sipping wine distillate, an expert blend of spirits aged for a minimum of 18 years. It represents the essential synthesis of the unique Vecchia Romagna method. Its intense aromatic profile is the result of ageing in French oak barriques and large Slavonian oak casks, followed by refinement in barrels used to age Amarone della Valpolicella, a prestigious Italian red wine. The process defines its structure and roundness, adding intense, persistent notes.

COCKTAIL BITTERS

Fee Brothers
**160 ONE HUNDRED

FEE BROTHERS

Why in the world would anyone want to put something called “Bitters” into a drink? In fact, Bitters are critical in the best drinks. The first publication of a bartender’s guide which included cocktail recipes was in 1862 - *How to Mix Drinks*; or, *The Bon Vivant’s Companion*, by “Professor” Jerry Thomas. In addition to recipes for Punches, Sours, Slings and the like, were 10 recipes for drinks called “Cocktails”. A key ingredient which differentiated cocktails from other drinks was the use of Bitters.

Espresso strength cold brew coffee.

The perfect base for any coffee drink from day to night.

WHAT EXACTLY IS SOLO PREMIUM COFFEE CONCENTRATE?

It's basically really strong coffee. We like to think of it as coffee squash. It has the convenience of instant coffee, but with café standard quality. Endless possibilities to how this product can be used.

WHAT COFFEE ARE YOU USING?

We're using a Brazilian and Colombian blend, and a medium roast profile. Bold, rich and sweet. Dark fruit acidity, chocolate notes, long and sweet aftertaste.
